2 DOOR GAS SMOKER With Window

PATIO GAS SMOKER

By far our most popular smoker, this gas-powered smoker has two doors and a large cooking area, powered by a standard LPG gas bottle. Low and slow smoked food is currently enjoying a popular resurgence and smoking with gas is proving to be both easy and efficient.

This compact, highly portable gas-powered smoker is perfect for small backyards and patios. This gas smoker has a surprisingly large capacity, featuring two adjustable shelves, an inbuilt temperature gauge and a push button Piezo ignition.
